

CONFERENCE ON LASERS AND ELECTRO-OPTICS

PacificRim2022

31 July - 6 August, 2022

Sapporo Convention Center, Hokkaido, Japan

The 15th Pacific Rim Conference on Lasers and Electro-Optics (CLEO Pacific Rim, CLEO-PR 2022) will be held at the Sapporo Convention Center, Hokkaido, Japan from 31 July to 6 August 2022. CLEO-PR is the preeminent Pacific Rim forum reporting on the latest research and development in a wide range of laser and electro-optic disciplines, including fundamental physics of lasers and quantum optics, device development, systems engineering, and applications. All presented papers will be indexed by EI compendex and published in IEEE Xplore (and OPTICA Publishing Group). We look forward to your participation so as to make this conference an exciting and fruitful event. Papers presenting original work in, but not limited to, the follow topics are invited for submission:
