Three Ways to Find Sessions

The screenshot shows the PacificRim 2022 website interface. On the left is a navigation menu with categories: General information, Announcements (0), Timetable, Program, Sessions, Search for presentations, and Cancelled (7). The main content area features a header banner for PacificRim 2022 (31 July - 5 August 2022 | Sapporo, Japan) and ODF '22 Sapporo. Below the banner, there is a text block with a link to the Program Time Table. On the right, there is a search box for presentations with a search button and a link to Advanced Search. Three callouts are present: 1) A blue callout box with an arrow pointing to the 'Timetable' menu item and the date list. 2) A yellow callout box with an arrow pointing to the 'Sessions' menu item. 3) A pink callout box with an arrow pointing to the 'Search for presentations' menu item and the search box.

**1) Find sessions from “Timetable”
Click the date (page 5)**

2) Find sessions from “Sessions” (page 6)

3) Find Sessions by searching presentations

[How to Find Sessions, Talks, Posters]

Find the sessions you want to attend or presentations you want to see using the timetable menus on the left or the search menu on the right. **Please note that the date and time of the program are in JST (UTC+9). Not only the time but also the date can vary depending on the area.** To check the correspondence with other time zones, please use the [world web clock](#)

Find sessions from timetable, then attend live sessions.

Click the session name to see the list of presentations, download abstracts, view posters and the short presentation videos.

To access live streaming session, click  (no passcode is required)
